MR. AND MRS. HOLLAND CAPPER

dedication

As we, the class of '61 prepare to bring to a close our high school years, we look fondly back on two devoted people who have done much to make our four years here ones of accomplishment and enjoyment.

Mr. and Mrs. Holland Capper have dedicated many years of their lives to the teaching of M.H.S. students and to the betterment of the community.

Mr. Capper began teaching at M.H.S. in 1927 and has taught chemistry and biology to students ever since. During these years many students have seen their teacher look over his glasses and say quietly, "Close your books, class. The first row and the first half of the third row may go to the board and draw the external features of a stem. Label all its parts." Through these sessions, each biology student leaves A-9 with a thorough knowledge of biology.

Being an avid ski enthusiast, he was a pioneer in the promotion of the Manistee Ski Area. Mr. Capper has also spent much time working in professional activities and is past president of the county M.E.A.

Besides teaching mathematics since 1952, Mrs. Capper has been active in the guidance department and has spent much of her valuable time promoting interest in the Tri-Hi-Y club. She has been a faithful member of the AAUW, the Tuesday Musicale and the Woodrow Wilson PTA.

Both of the Cappers have taken a great interest in their church. Mrs. Capper was the organist for the Methodist Church for 28 years, was active in the women's society and often directed the choir. Mr. Capper is a member of the choir, has sung solos often and has taught Sunday School for many years.

Because they have been a source of inspiration and guidance, we proudly dedicate this 1961 Manichigan to Mr. and Mrs. Holland Capper.

guidance

Dr. Robert Larson, as head of the Guidance Department, has charge of the guidance work in Manistee High School and the near-by grade schools. Dr. Larson, with his capable staff of counselors, Mr. Stanley, Mrs. Capper, Mrs. Clason, and Mrs. Jacobsen, plans College Night, Parents' Night, and Orientation Day. They also manage to fit job placement and individual counseling into their busy schedules.

class history

When we entered high school five years ago, they stood and laughed at us. We were those insignificant things they called "Eighth Graders" . . . There was Jean Faber, president of the class, friendly to all as usual; there was Luke Plamondon, much impressed with his important office of vice-president; and Carol Carlson, with her shing face, answered to the roll call of secretary-treasurer. Sweet little Joanne Hallock represented the eighth grade on the Queen's Court. Kay Johnson and Jim Knight were elected to serve on the Student Council. Under the watchful eyes of Mrs. Burch and Mr. Bedingham, our advisors, we proudly presented our party, "Silver Slipper." Yes, we were sweet little things. Great were our trials and tribulations during our first year, but slowly and surely it passed.

By the time we were Freshmen we were treated with some respect, and some of the Seniors even condescended to speak to us. We elected our class officers in the persons of Linda Block, president; Bob Swanson, vice-president; and Mike Bramble, secretary-treasurer. Representing the Class of '61 on the Student Council were Charlotte Wieda and Jim Knight. Walking gracefully down the field at Homecoming was Jean Faber. "Spring Safari," our class dance, was a big success. Miss Greenhoe and Mr. Stilwell were the Freshmen advisors.

As Sophomores we felt honored to receive our class rings. We now felt like full-fledged "M.H.S.'ers." Leading the class was Bob Swanson, president. He was ably assisted by Paul Tomaszewski, vice-president and Penny Tageson, secretary-treasurer. Penny Tageson also represented the class on the Queen's Court. Aiding the class in many ways were our advisors, Miss Greenhoe and Mr. Rutherford. Charlotte Wieda and Jim Knight once again served on the Student Council. The big social event of the Sophomore year was our class dance, which we entitled "Peppermint Stick."

The Junior Year was one that shall long be remembered. We shall not forget our many hours of work on the J-Hop. Many couples danced to the wonderful music of Tiny Piper at our "Evening in Rome." We selected Wendell Brooks as president, Bob Smith to serve as vice-president, and Nancy Jacobs as secretary-treasurer. As the name of Marcia Clark was read, the Juniors were very proud of their Homecoming representative. Shelda Miehlke and John Benson joined Charlotte Wieda and Jim Knight on the Student Council. Miss Greenhoe and Mr. Rutherford were once again our advisors.

Then we were seniors: of course a Senior class needs well qualified officers. At our class election Luke Plamondon was elected president; Mike Bramble, vice-president; Margaret Dorfeld, secretary; and Marcia Clark, treasurer. Mrs. Hough and Mr. Walters became our advisors for our Senior year. Queen Joanne Hallock reigned graciously over the fine Homecoming festivities. Jean Faber was once again Homecoming representative. Wendell Brooks served the school as president of the Student Council. He was ably assisted by Paul Tomaszewski, vice-president, and Charlotte Wieda, secretary-treasurer. Shelda Mielhke, John Benson and Mike Bramble were the Senior representatives on the Council. We the class of '61, are proud of the tremendous football honors acquired by Don Cederholm. Among the scholastic achievements, Ron Russell, John Benson, Marilyn Kalen, and Dennis Loomis graduated with "summa cum laude." Highlights of our Senior year were the Skip Trip, Baccualaurate, and Commencement. As we bade fond farewell to our three foreign exchange students, Karola Havenstein, Dierk Dommasch, and Jukka Tammilehto, our Senior year drew to a close. We, the members of the class of '61, now have gone our separate ways.

the class will

My friends, I have called you to assembly here as a solemn duty, that you, the heirs and assigns of my respected client, the class of 1961, may hear her last will and testament, which, as her legal advisor, I drew, as directed by her, immediately prior to her passing from our presence.

It was her intention and would have been her great pleasure to present you personally with these tokens of her esteem, but, finding her possessions were even more extensive and valuable than she had thought, it was impossible, particularly as her last days were so occupied with social engagements and other dates not so social, but of great importance to the future, which she was obliged to keep with various members of the faculty. On these occasions, such weird and unexpected questions were addressed to her, an immediate answer in writing being required, that the strain left her too weary for additional effort.

Because of this, if any slight discrepancies or apparent injustice or partiality should appear to you in the distribution of her effects, we trust you will pardon it and realize it is caused, not by exhaustion of her brain, never over-robust.

May I, as well as my lamented client, entreat that you receive your respective legacies in the spirit of unselfish friendship with which they were given? I shall appreciate your courteous attention while I read this duly attested will.

We, the class of 1961, in the town of Manistee, the county of Manistee, and the state of Michigan, being in as good mental condition as usual, and in much better temper than usual, do hereby make this, our last will and testament, rendering void and of no avail any former will or wills that may have been previously made by us during a period of temporary optimism.

Although, being as psychologically complex as befits a Senior class, we consist of 163 separate and distinct entities, or what have you, we are in such complete accord, thinking alike, and seldom, that the editorial—now, alas funeral—"we" will be used to denote our collective enttiy throughout this document.

We have no specific directions to leave concerning our funeral, but we do hope you will come prepared to praise as well as bury us, forgetting the trifling faults that may have been ours and remembering only our manifold and remarkable virtues.

We feel that our brilliant record and our unusual achievements will live after us, but, not wish- to take any chances, we suggest that a tablet, on which shall be inscribed our several names and a few of our most astounding deeds, be purchased and placed in the auditorium of the school in a position where it will strike the eye of all who enter.

And in this manner do we dispose of our possessions:

Item.—We give and bequeath, freely and without reservations or stipulations, to the Junior class, our rightful heirs, and to their heirs and assigns forever, our most important and valuable properties, viz., our self-satisfaction, our importance, and our wisdom, all of which we possess in enormous quantities, and we hope said gifts will be of use in overcoming their present inertia.

Item.—We also leave the Junior class our good luck. It made us what we are today, and it should satisfy them. In addition to this, all our privileges and rights as Seniors in classroom and study hall will revert to them, as well as any notebooks, pencils, fountain pens, unfinished lollypops, or unfinished business, including debts contracted while engaged in the business of being a Senior, also any boys or girls whom we may have left behind in our haste.

Item.—We give and bequeath to the Junior class our well-known nerve, which they will need next year, and all the examination questions we have been given during the past year. We believe that an examination, like history, often repeats itself. The answers, never owned in entirety, have long since been mislaid by us and are not included in this legacy.

Item.—To our good friends, the Sophomore class, we leave our patience. It will be found useful as the only means by which they can endure the Juniors.

Item.—To the young and unsophisticated Freshmen we leave a map of the school building, so that they will not get lost and roam about in everybody's way looking for their classrooms. We include with this map our little book entitled, "How to Tell the Teachers," a pamphlet compiled by us after four years of arduous study. The legatees will notice this book is not WHAT you tell the teachers but HOW. It contains specific information as to which teachers can be bluffed, which are easy and which are hard to please and those whom it is impossible to please. It tells who your favorite authors must be and which History teacher is especially fond of Napoleon, and what questions to ask to make the science teacher forget the lesson and be interesting. This information is invaluable to anyone wishing to make high grades in the above subjects.

Item.—To our dear old school building itself, we leave the peaceful quiet caused by our absence and any apple cores, wads of gum, or crumpled notes we may have left about.

Item.—To the history of the Manistee High School we bequeath our illustrious deeds and our names as candidates for the Hall of Fame.

Item.—To next year's class president we leave—with grave doubts as to his ability to use it—the stentorian voice of our good president, Luke Plamondon, which enabled him to overcome all opposition and to prevent others from knowing opposition existed. Also, we leave his ability to keep on good terms with the faculty and still do as he pleases; in other words, his executive ability.

Item.—To our teachers, the faculty of M.H.S., we hereby give, free from all inheritance, luxury or income tax, our entire store of knowledge. From them it came and to them it should be returned, that others may be benefited by it as we have been. Along with this knowldge is bequeathed much additional information obtained by original research and contemplation. We feel that it will prove sufficiently startling to merit consideration and might even, with profit, be incorporated in the next course of study. We lack space for details, but shall simply state that our arguments against final exams, as well as those for bigger and better holidays, louder and funnier lectures, and no higher mathematics or school cafeteria, not to mention our shortened list of requirements for graduation, are of vital importance and should be familiar to every earnest student of education.

Item.—To the football team of next year the privilege of gazing admiringly at the trophies our team won this year.

Item.—To the glee club and the orchestra our ability to watch the leader and the audience at the same time. We may have lost a measure or skipped a beat in the music occasionally, but we never missed anything—or anybody—in the audience.

Item.—To the Junior class we give, reluctantly but of necessity, our mantle of dignity. We realize that the class can never fill it but, since it is expected of them, our advice is, "Grin and wear it."

Finally, we do hereby name and appoint as the sole executor of this, our last will and testament, our class advisors, Mrs. Hough and Mr. Walters.

In witness whereof we, the class of 1961, the testator, have set our hand and the seal on this 8th day of June in the year of 1961.

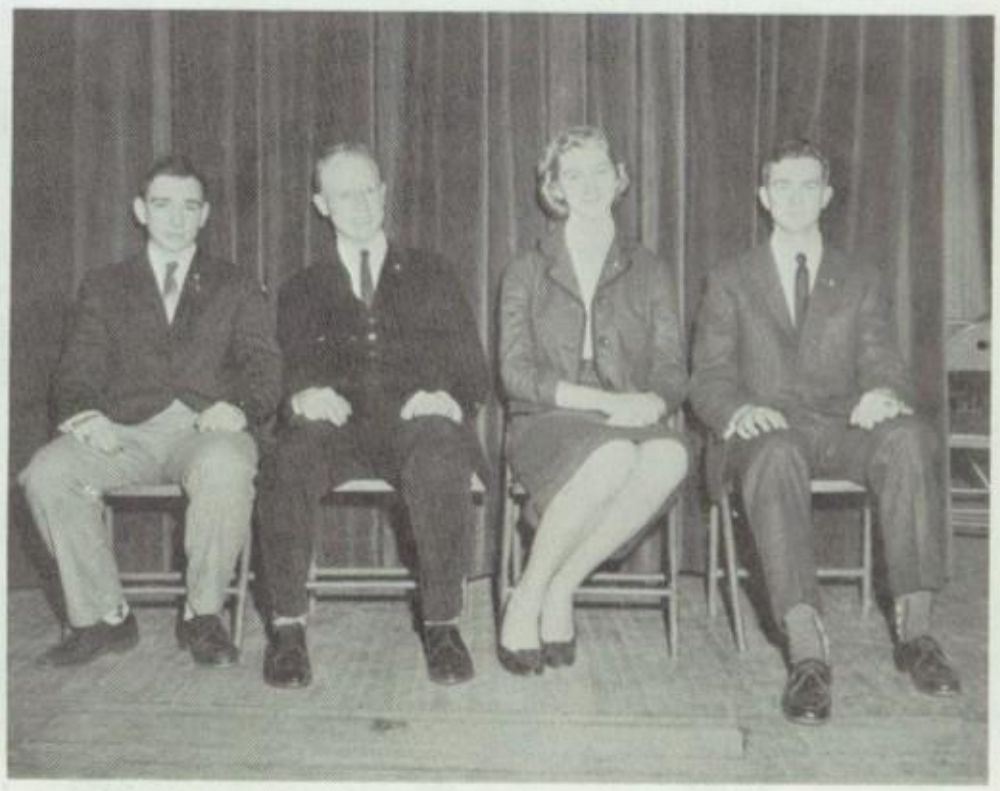
summa cum laude

There was no valedictorian or salutatorian this year for the first time in the history of M.H.S. Instead, eleven students from the National Honor Society were chosen as honor sudents. Four of these students, Ronald Russell, Marilyn Kalen, John Benson, and Dennis Loomis, had an average of 3.8 and above, and will graduate Summa Cum Laude. The seven others, Nancy Jacobs, Jean Novak, Jean Ogilvie, Jenann Olsen, Judi Hansen, Shelda Miehlke, and Roger Ringle, will receive Cum Laude.

Members of the Nat'l. Honor Society are chosen for their scholastic achievements during their high school years. 5% of the junior class and 10% of the senior class are welcomed in as members to the society each year at an annual assembly.



Summa Cum Laude: Dennis Loomis, John Benson, Marilyn Kalen, Ronald Russell.

Tri-Hi-Y Club has had a most active year under the leadership of President Margaret Dorfeld. The girls had a very profitable bake sale in November and the proceeds were donated to the United Fund. Then, came the big event — Legislature in Lansing to which our club sent seven members. This was followed by a caroling party in December held with the Hi-Y and Twirp Week in April. Again, our club participated in the State-wide YMCA project of a chapel for Seoul, Korea. Very profitable year — No?

The 1960-61 school year proved to be a very active and successful one for the MHS Hi-Y Club. The Club started off on the right foot by revamping its informal initiation policy. The next notable event was the election of two club members to positions at Pre-Legislature. An extensive campaign gained club president, John Benson the office of Secretary of State and Pat Kelly the position of nominee for Speaker of the House. The Youth Legislature was also rewarding, as the club's Joint Resolution passed through both houses. A large delegation of members then attended Older Boy's Conference in Detroit. The year was replete with many interesting and enlightening programs. Members feel that special recognition must be given to their advisor, Mr. Donald Strouf, for his valuable help in guiding the club in all its activities.

The Chippewa Herald was greatly handicapped this year, due to the fact that a new method of printing was established. However, with hard work and perserverence, the Staff was able to publish an issue each month and remain self-supporting. The main contribution of the Herald to life at M.H.S. are the promotion of good sportsmanship and an interest in journalism.

The Manistee JETS again assisted the physics department in putting on the 2nd annual Science Fair. The many projects submitted for exhibition by JETS members helped make the fair most interesting and successful.

The Manistee JETS again met with the Traverse City JETS in science down competition. Mr. Richard T. Fallon of M.S.U., Director of JETS Inc., gave a program in which he told of the nature and goals of the JETS program. The Jetsers topped off the year with their annual trip sponsored by Consumers Power Company.

The Girls' Athletic Association, under the leadership of Miss Beddie and their President, Judi Hansen, initiated several new activities during the school year '60-'61. Besides combining some of their meetings with skating parties, and sponsoring a bake sale to raise funds, the girls had a wonderful time swimming in an indoor pool at Grand Haven. G.A.A. also awarded many major and minor letters for participation in sports activities.

Each boy in M.H.S. who earns a major letter in basketball, football, tennis, golf or track automatically becomes a member of the Letterman's Club. The main purpose of the club is to promote better sportsmanship, to create a greater interest in sporting activities, to assist the athletic department in any way possible, to maintain creditable scholastic averages, and to establish and maintain the value of all athletic awards. At the bi-monthly meetings the club enjoyed interesting programs which were put on by its members. The highlight of the year was the annual spring outing put on by the club.

Every other Thursday night the sound of gun fire can be heard from the Manistee Community Armory. This is the Rifle Club at work. These practice sessions have been very beneficial as the team has won all their meets—even outshooting Ludington by an enormous margin.

Besides sponsoring these meets, the Club also organizes a gun care and safety class.

One little-known fact about our Rifle Club is that the guns and jackets are furnished by the Club. The only requirements for membership are an interest in guns and your ammunition.

Mr. Palarski is the advisor.

The band is one of the most active groups in the high school. Its colorful halftime shows at football games add zest to the gridiron season. The pep-band, comprised of thirty of the senior band members sparks school spirit at the basketball games and pep assemblies.

In addition to enhancing of athletic events, the band is also active in the Michigan School Band and Orchestra Solo and Ensemble Festivals, and Band Festivals. The band participates in local holiday parades and appears annually at the National Cheery Festival at Traverse City.

The concert season is climaxed by the Band Bounce, the gala spring variety show, which has become a tradition here at MHS.

Petoskey

In the season opener for both teams Manistee rolled up a 45-6 score in defeating the Petoskey Northmen. The Chip defense and offense were both good in this game which marked the end of a long series between the two teams. A sad note in this impressive victory was the loss of co-captain Luke Plamondon for the season due to a collarbone injury that he received in this game. Touchdowns were scored by Don Cederholm (4), Al Rohrstaff, Jim Ogilvie, and Luddy Ludwigson. Rohrstaff, Cederholm, and Wisniski scored extra points.

Kalamazoo Loy Norrix

The Manistee Chippewas continued their winning ways as they outscored Class A Kalamazoo Norrix 36-0 for their second win of the young season. Don "the train" Cederholm and Jim "Nipper" Wisinski shared the scoring honors as they pushed across 5 TD's. The final tally came on a 34 yard pass from Luddy Ludwigson to Dennis Lynch, who sped his way 40 yards into the end zone. The game ball was presented to co-captain Luke Plamandon in the locker room after the victory.

Big Rapids

The Chippewas, in their conference opener, turned in an impressive 32-7 victory over Big Rapids. The game featured the powerful running of fullback Don Cederholm and halfback Jim Wisinski, the excellent quarterbacking of Luddy Ludwigson, and the hard blocking and tackling of the outweighted Chippewa line. Cederholm scored 4 TD's on runs of 7, 51, 38, and 15 yards. Wisinski's touchdown came when he caught a short pass from Ludwigson and raced 16 yards into the end zone. The defence sparkled in holding the rough Cardinals to only one touchdown.

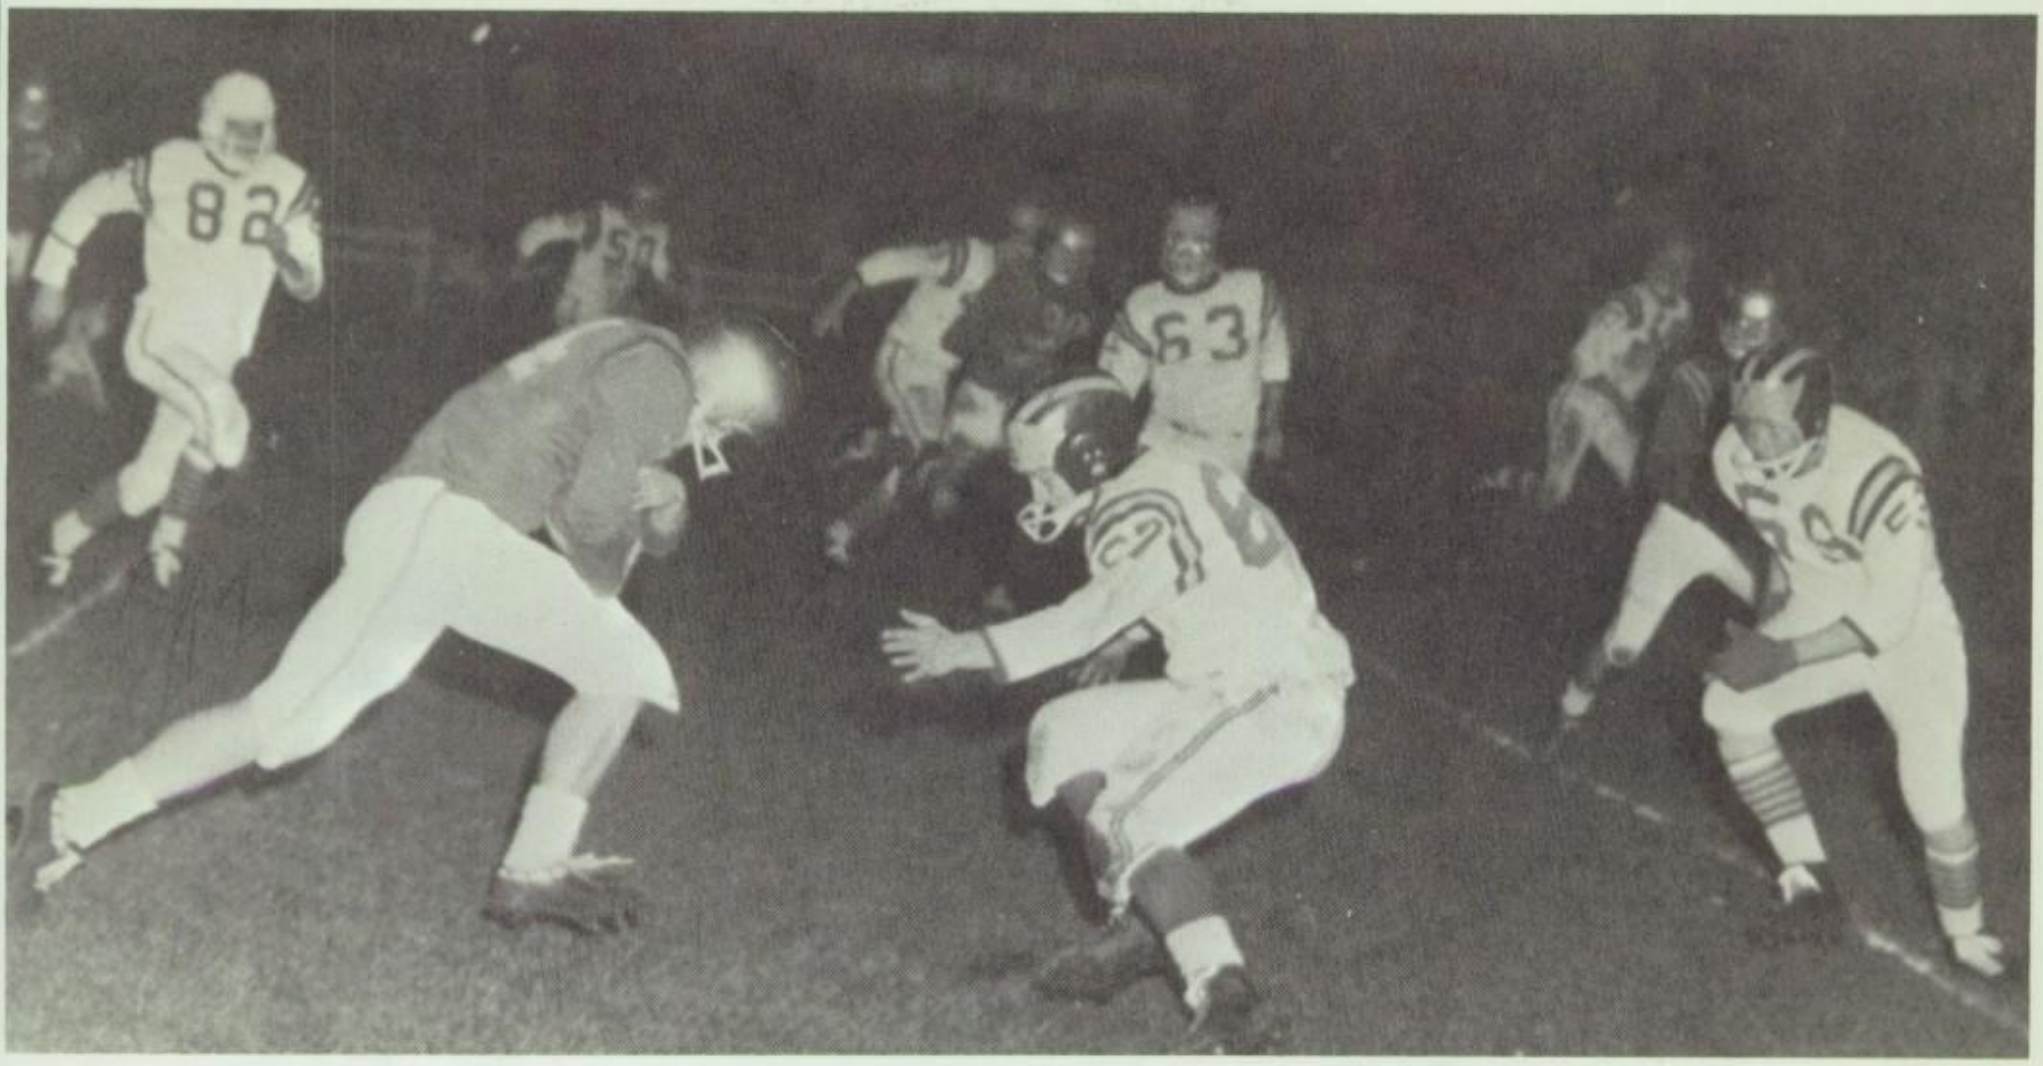
Alma

The Manistee Chippewas romped to their fourth straight win of the season by defeating an inspired Alma team 25-6. After a slow first half which ended in a 6-6 tie, the Chips roared ahead to take the victory. The Chippewa defense was rugged as twice they made gallant goal line stands to stop what seemed to be sure Panther touchdowns. Cederholm scored all 4 TD's, however Wisinski also turned in an outstanding performance by racing for several long gains.



Ludington

In a close contest between the two arch-rivals, Manistee came through with a thrilling 21-14 victory over the Ludington Orioles. More than 2,000 fans were on hand to cheer the Chips to this exciting Homecoming win. Both of Ludington's scores came on electrifying punt returns of 82 and 83 yards by their speedy halfback Bill Bennett. Manistee's first tally came on a one yard plunge by Wisinski with Cedarholm going over for the extra point. In the second period Ludwigson flipped a perfect pass to end Jim Ogilvie in the end zone. The Chippewas' final score came on an alert play by Dennis Lynch as he picked up a fumble and dashed down the sidelines for a thirty yard TD. This was Manistee's fifth straight victory over the Orioles.

Cadillac

The Manistee Chippewas edged past the Cadillac Vikings 21-19 as they pushed on to their eighth consecutive victory, the sixth this season. Manistee's first TD came on a drive by Al Rohrstaff. Later, Luddy Ludwigson, in a personal duel with the Cadillac quarterback, fired a 16 yard TD pass to End Dennis Lynch. The final Chip touchdown came on a sparkling run by Jim Wisinski. He displayed speed and good broken field running as he romped 53 yards into the end zone. Extra points were scored by Cederholm and Lynch.

Mt. Pleasant

In what was called the "Game of the Year" Manistee bowed to a powerful and speedy Mt. Pleasant team 20-7. A record crowd of 2800 fans was on hand to witness this battle of the unbeatables. The Chippewa's lone touchdown came on a pass from Ludwigson to Mike Bramble in the end zone. By defeating Manistee in this crucial game the Oilers won the North Central Conference championship. Manistee ended the season in second place with a 4-1 conference record, which is nothing to be ashamed of in a league as rough as this one.

Traverse City St. Francis

The Manistee Chippewas ended their successful season on a happy note as they rolled over Class C Traverse City St. Francis to the tune of 33-7. The Gladiators were no match for the Chippewa offensive machine as Manistee jumped to a first period lead of 20-0. Early in the second half Don Cedarholm broke away and raced 72 yards for his fourth TD of the game. Manistee's final score came on a 36 yard pass from Ludwigson to Ogilvie. PATs were scored by Alan Rohrstaff and Dennis Lynch.

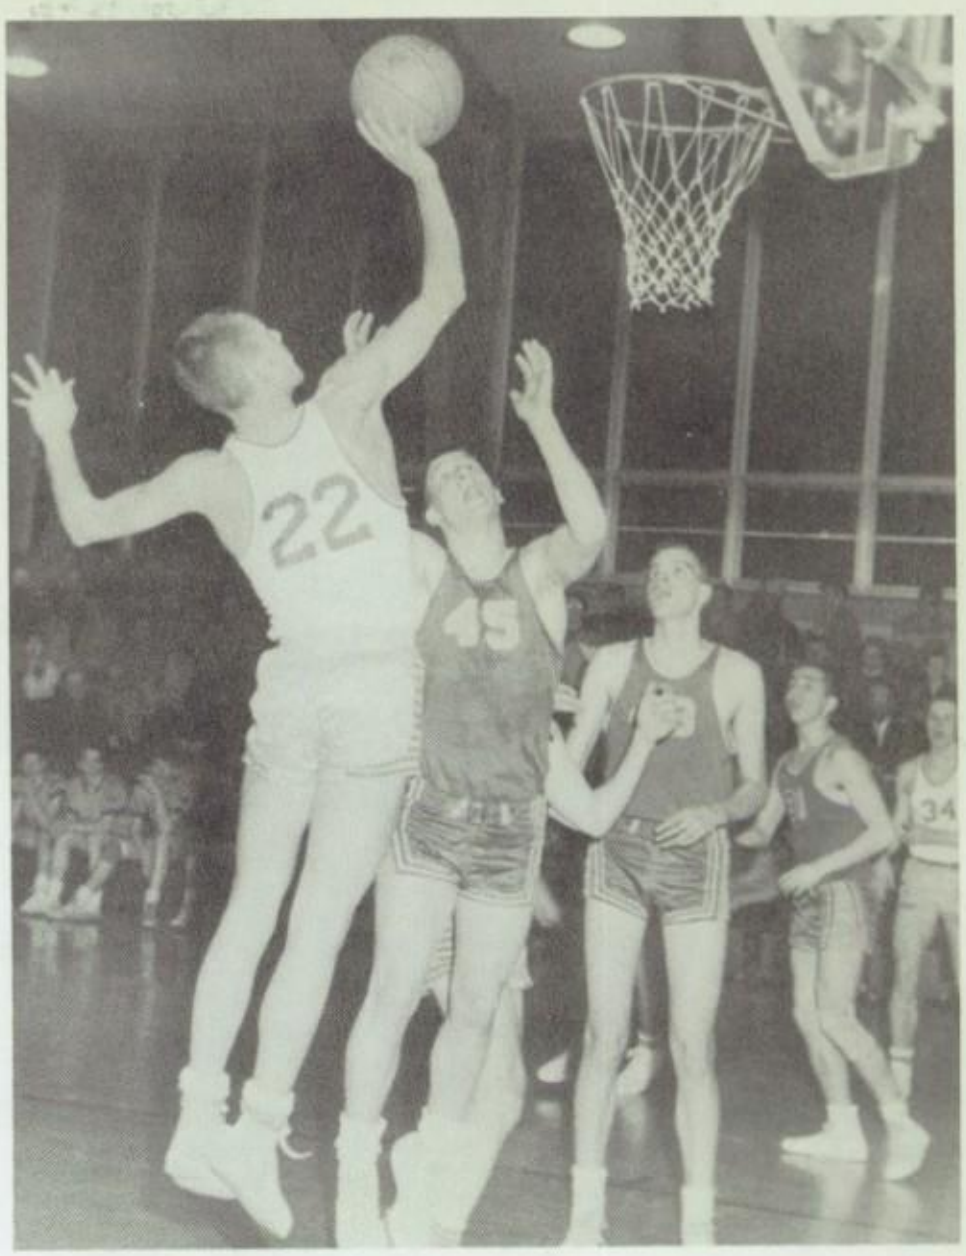
TRAVERSE CITY

In a thrilling opener at Traverse City, Manistee lost 58-57 to the Gladiators on a "freak" play in the last seconds of the game. After trailing by 15 points early in the third period the Chips fought back and with only four seconds left in the game the Chips led 57-56. It seemed that Manistee had the game in the bag when a jump ball was called. Traverse City got the tip and put up a shot just as the final bell sounded, and it was good. Although it was a hard loss, the Chips showed plenty of spark and determination. Dennis Lynch was high scorer with 23 points.



LUDINGTON

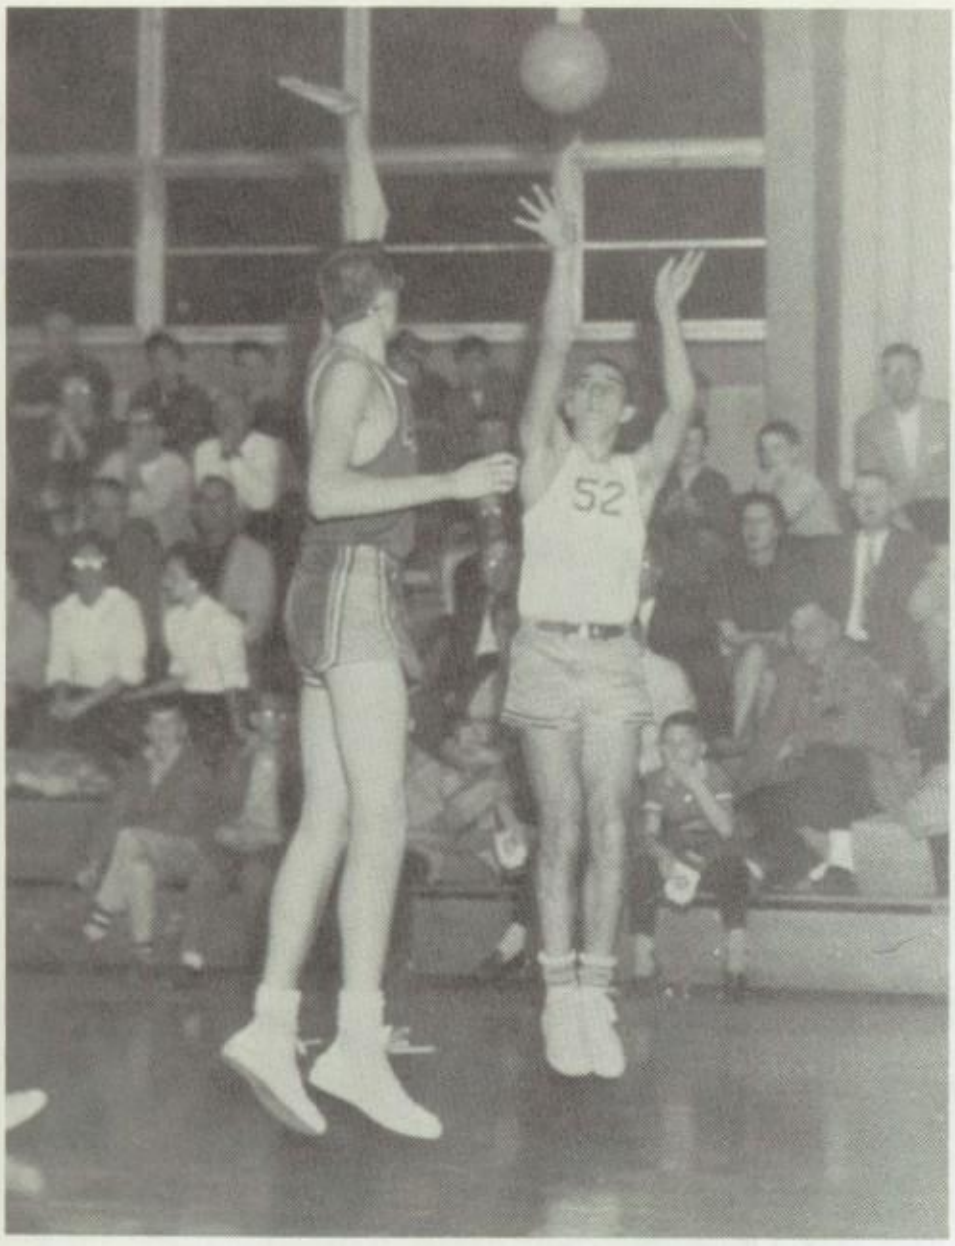
The Manistee Chips put up a hard fight in their second game of the season but finally yielded to a taller, more experienced Ludington team. Manistee was defeated 58-46 by its archrival in this contest. The highly-rated Orioles dominated the backboards and were more accurate from the free throw line. High point man for MHS was Roy Olk with 13 points. He was followed by Dennis Lynch and Ed Palsrok with 9 apiece. This was only the fourth time in six years that Manistee has lost a home game.

MT. PLEASANT

The Chippewas losing streak went to three games as they bowed to the Mt. Pleasant Oilers 65-53 in their second conference game of the young season. The Chips were hurt when two of the players fouled out, but still gave the Oilers a good game. Dennis Lynch led Manistee with 18 points. He was followed by Luddy Ludwigson-8, Ed Palsrok-7, and Jim Wisniski-6.

PETOSKEY

The Chippewas defeated the Petoskey Northmen 56-38 for their first victory of the season. The Chips were led to this win by Dennis Lynch, who had 19 points, and Ed Palsrok with 16. The hard fought game was marred by 39 fouls, 25 against Manistee. In the six years that Coach Rutherford has been at Manistee the Chips haven't been beaten by Petoskey once.



CADILLAC

The Chippewas won their first North Central Conference game by downing the Cadillac Vikings 58-36 at Cadillac. Freshman Jim Ogilvie was brought up from the reserves for this game and made an impressive debut by canning 16 points to take the scoring honors for the Chips. Cadillac played a hard game and several times were within 4 points of Manistee. Guards Roy Olk and Luddy Ludwigson both were outstanding.

MUSKEGON CATHOLIC CENTRAL

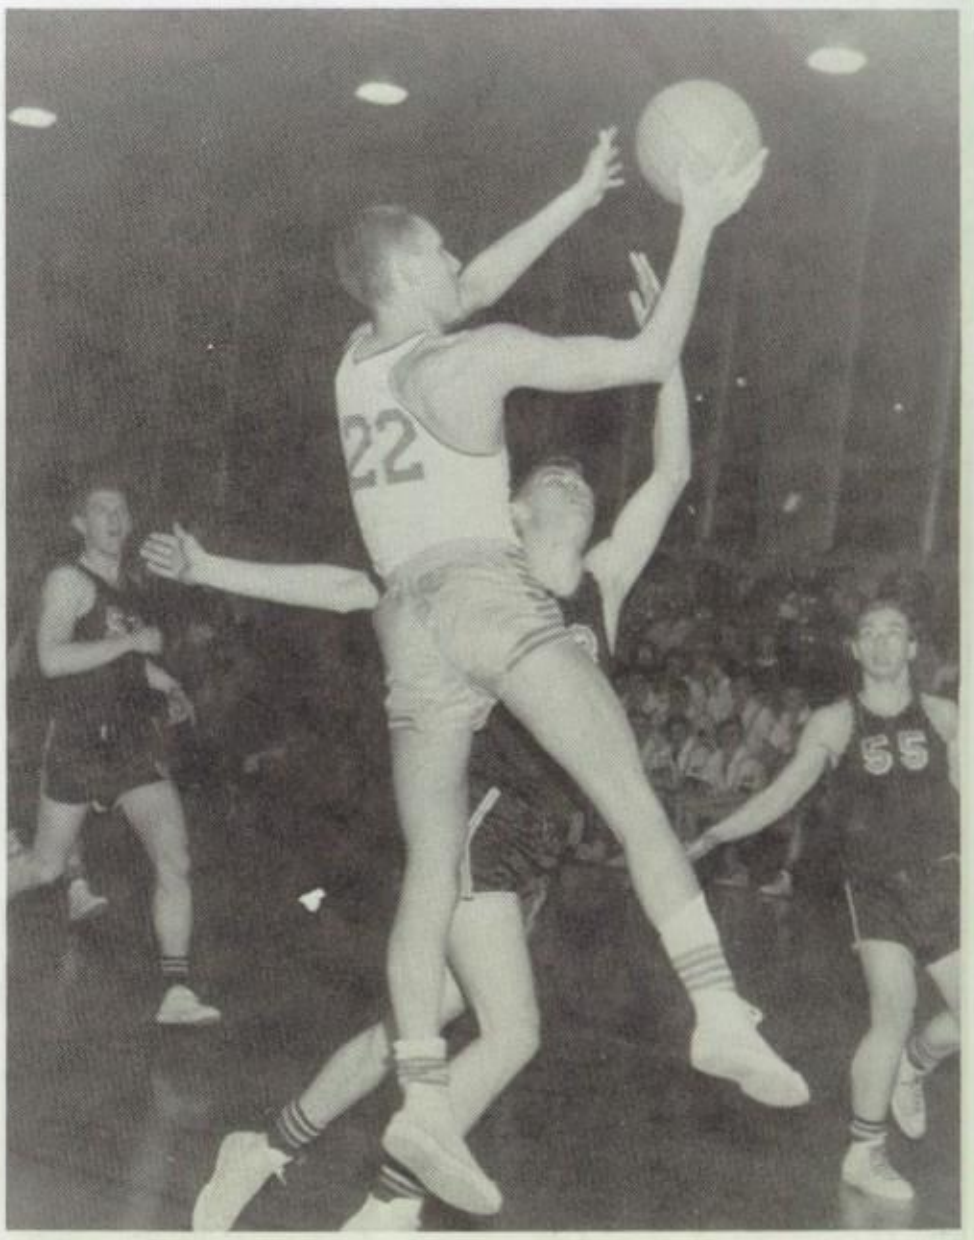
The Muskegon Catholic Central Crusaders rallied for 25 points in the third period to overcome a 34-28 half-time lead by Manistee and pushed on to take the game 72-60. This was an exciting game all the way as it was just in the final few minutes that the Crusaders were able to pull into the lead. Although the Chips were at a definite disadvantage because of Muskegon's superior height, they played a fine game. High scorers for Manistee were Ogilvie with 28 and Palsrok with 10.

BIG RAPIDS

For their second conference win of the season the underdog Chippewas defeated the favored Big Rapids Cardinals in a thriller, 51-49. Because of recent surgery, Coach Rutherford was unable to be at the game so Coach Jim Dickey took the team and did a fine job. The Chips were behind the whole first half but never gave up. They fought back until they finally took the lead 38-35 as the fourth period began. The lead went back and forth throughout the final period, but in the end the scoreboard showed that an inspired and scrappy Chippewa team was on top. Jim Ogilvie lead the scoring with 14 points but the win was a true team effort as eight Chippewa who all shared in the scoring.

ALMA

The fast improving Manistee Chippewas took their third conference victory by defeating the Alma Panthers 65-42. After a bad start this season the Chips moved up into third place with this win. This game was feathered by rugged and ragged basketball as both teams are suffering comparitively poor years. High scorers were Ogilvie and Lynch with 15 and 13 points.

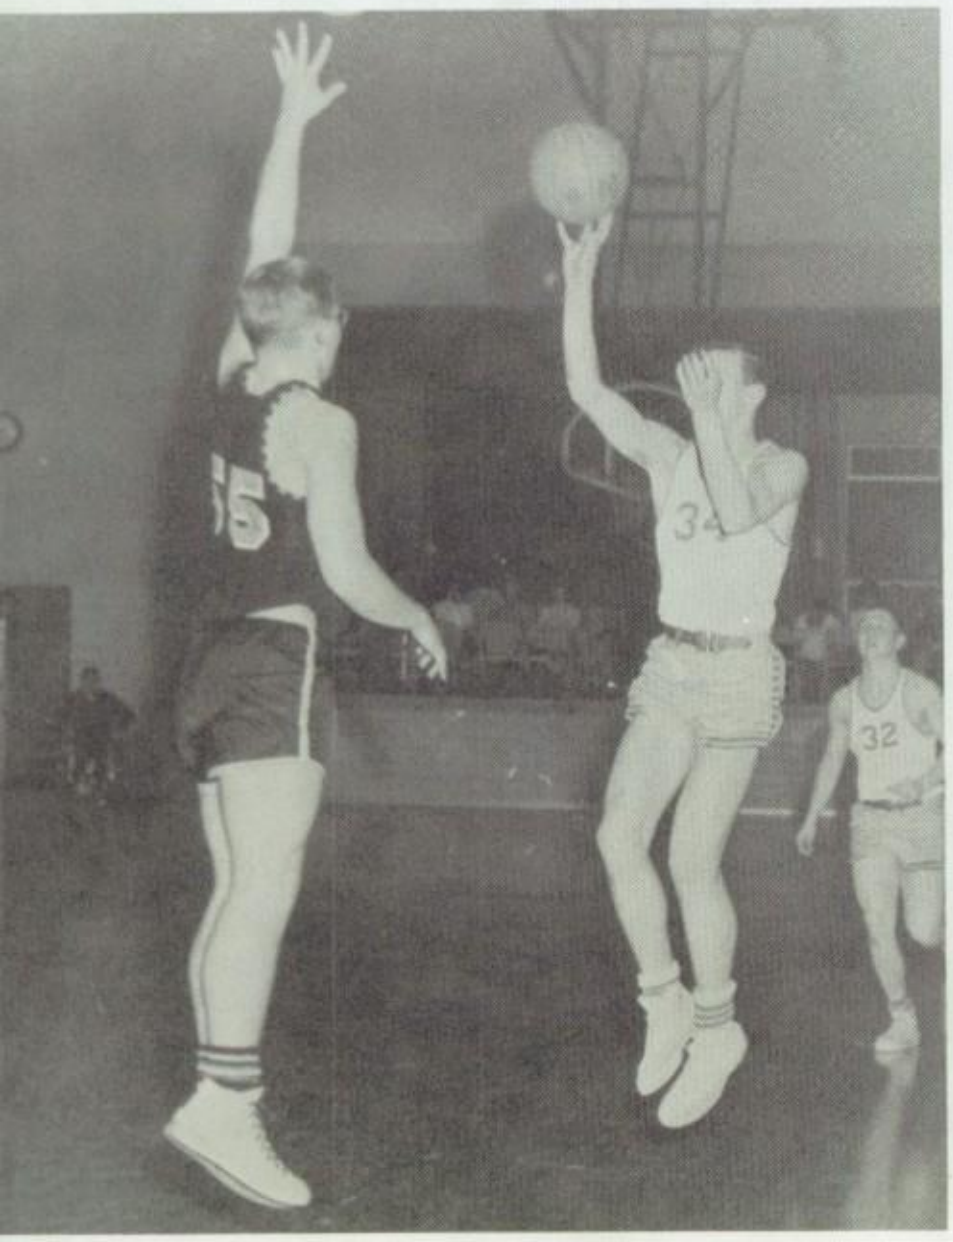


LUDINGTON

It was like a nightmare! That's the best way to describe the game between our Chippewas and the highly rated Ludington Orioles. Experiencing one of their worst nights of the season the Chips were defeated by the Orioles 60-31. The Chips were very cold from the floor, hitting on only 22% of their shots. Nearly 2,000 fans turned out to see the game expecting to see a much closer contest. However the game turned out to be only one point from being Manistee's worst defeat since Coach Rutherford has been here. Leading scorers for MHS were Jim Ogilvie with 10 followed by Ed Palsrok and Dennis Lynch, each with 8.

MT. PLEASANT

The Chippewas, showing good teamwork and improved scoring, nearly upset the Mt. Pleasant Oilers in their second meeting of the season, but finally they dropped behind to lose 66-56. From the opening jump Manistee let the Oilers know that it was going to be a tough game. At the end of the first period the Chips were trailing by only 1 point, 15-14. The team hit a slump the second period and at halftime trailed 32-23, but battled back in the third period to cut the Mt. Pleasan lead o 46-41. Jim Ogilvie was high scorer with 21 points. It was a great team effort, but the Oilers were just too much.

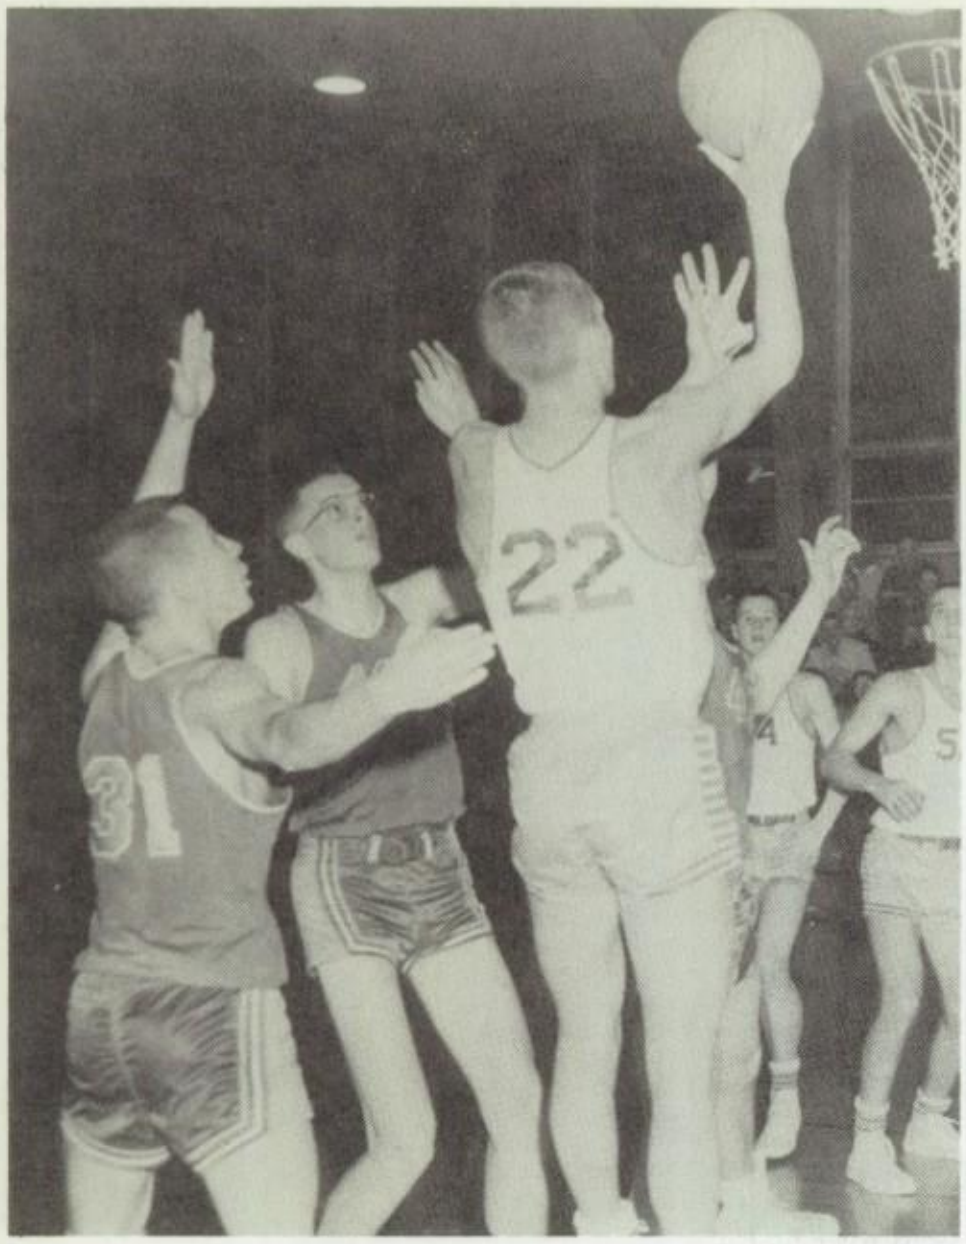


CADILLAC

The Manistee Chippewas finally broke their losing streak by defeating the Cadillac Vikings 67-48 at the Armory. The victory gave the Chips sole possession of third place in the conference and made it their 14th straight win over Cadillac. The Chippewas showed good scoring balance with 3 players hitting in the double figures. They were Lynch with 18, Palsrok with 14, and Olk with 12.

BIG RAPIDS

In a hard fought battle at Big Rapids the Chips bowed to the Cardinals 59-50. The score was tied 10 times in the first half and at halftime was deadlocked at 29-29. The game, which was marred with many fouls, put the two teams into a tie for third place in the conference. The Chips were paced by Lynch with 19 points, Ogilvie with 12 and Haase with 10.

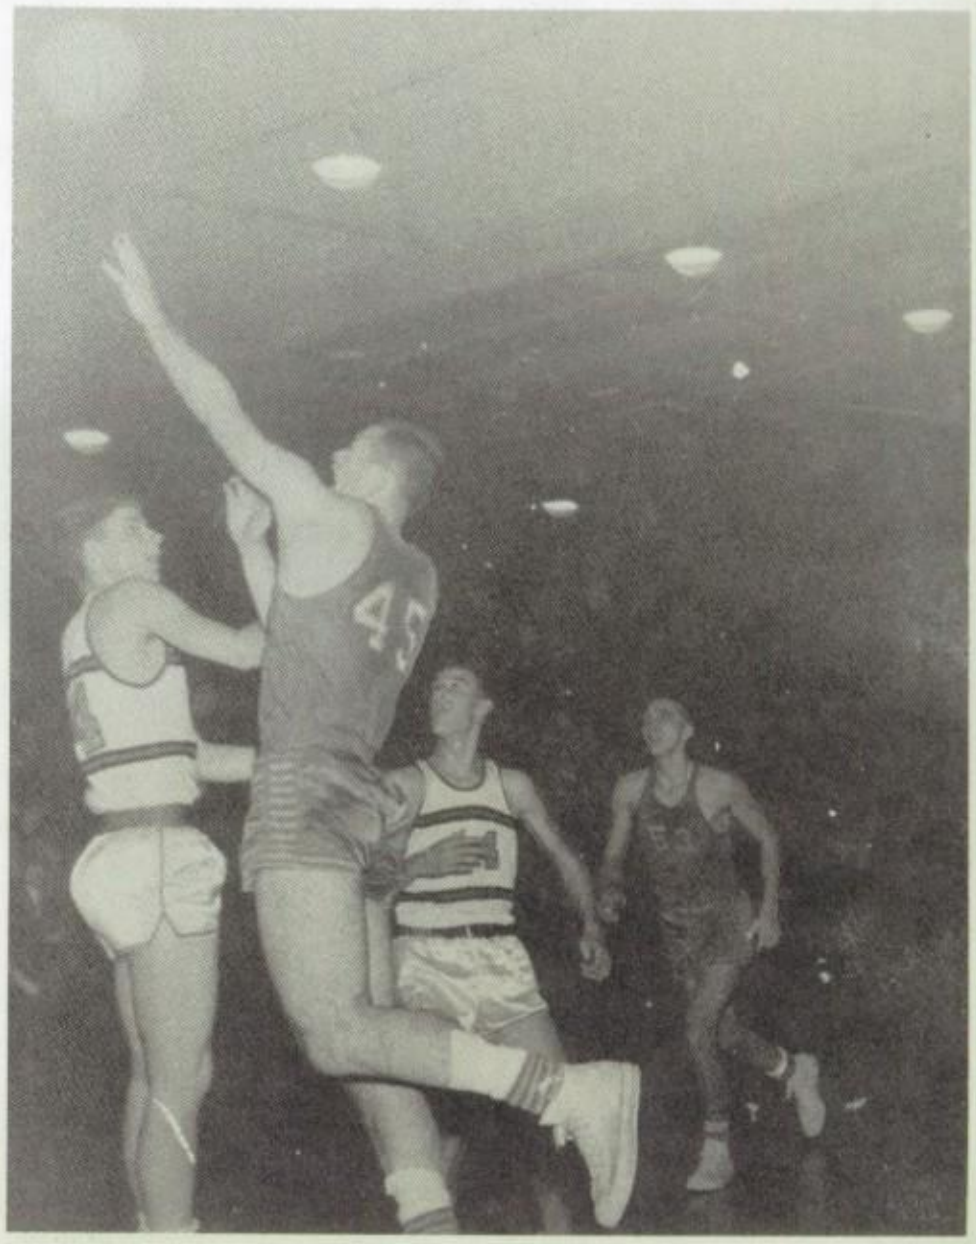


TRAVERSE CITY

The Chippewas turned in their finest performance so far this season as they rolled over the St. Francis Galdiators 90-59. In this game the Chips tied the all-time scoring record at MHS set in the 1958-59 season when Manistee beat Big Rapids 90-49. Freshman Jim Ogilvie played a tremendous game and wound up with 28 points. He was followed by Ed Palsrok with 14, Carl Haase with 13, and Dennis Lynch with 12. The Chippewas showed much improvement as they ended Traverse City's game winning streak. This game certainly aroused Maninstee's tournament hopes.

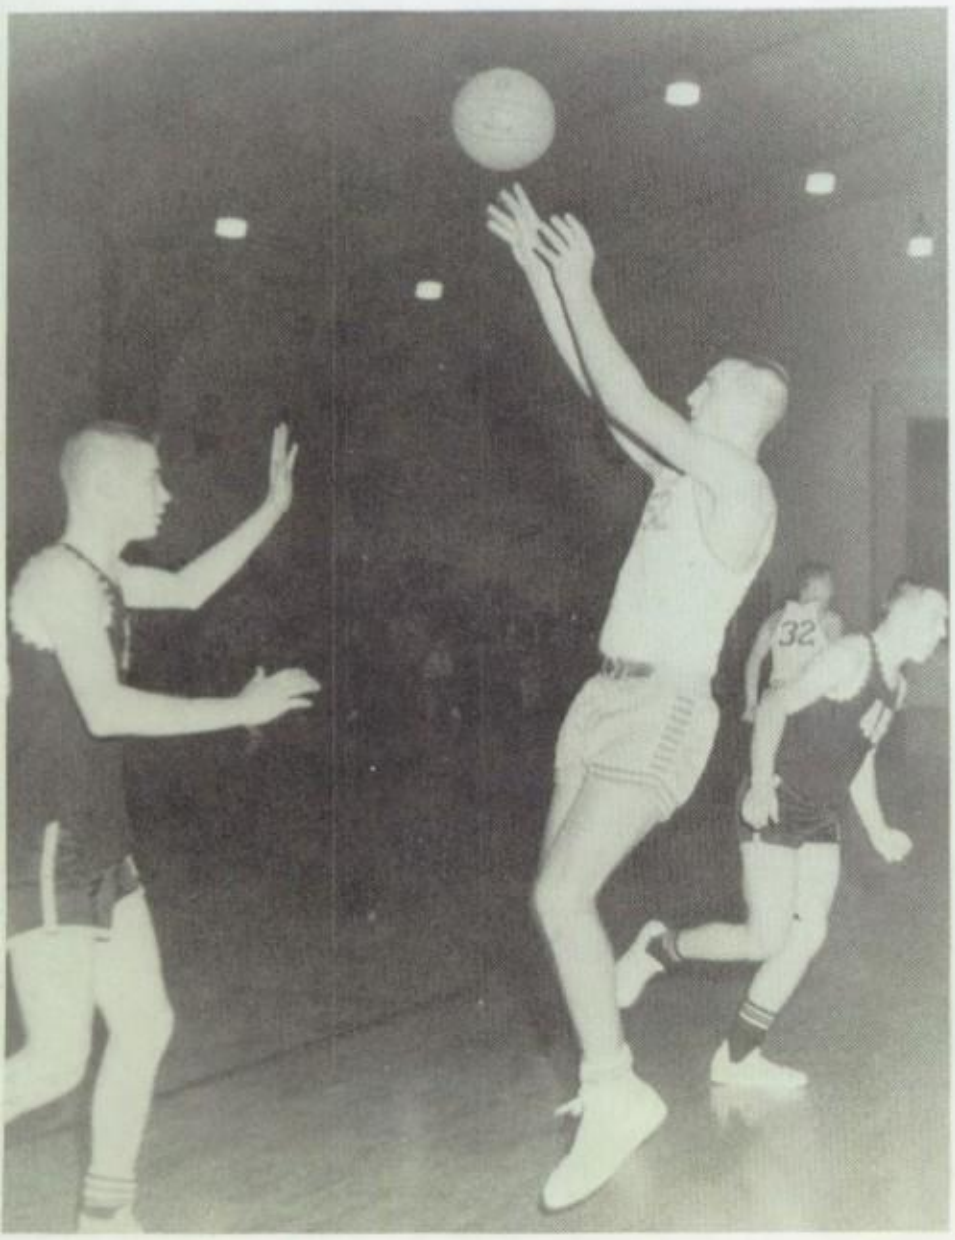
ALMA

The Manistee Chippewas came from behind to overcome an early Alma lead and went on to win the game 56-42. The Panthers led at halftime 26-24. The Chips came out in the third period and racked up 20 points to the Panther's 10 to take the victory. The team wasn't especially hot at shooting but won the game wih determination and hustle. As has been characteristic of them this season the team showed good balance and teamwork. Ogilvie scored 19, Palsrok had 16, and Lynch 10.



LUDINGTON

A determined Manistee basketball team surprised everyone by upsetting the Ludington Orioles 69-65 to take the District Title. This thrilling game more than made up for the 2 losses that the Orioles handed the Chips earlier in the season. The lead bounced back and forth constantly throughout the game. Ludington led 18-12 at the end of the first quarter but the Chips fought back to make it 36-35 in their favor at halftime. The Orioles were hot in the third period and took the lead back, 54-51. Then in the final period the Chips rallied, making 9 out of 10 shots to win the exciting game 69-65. All five Manistee starters hit in the double figures. They were Ogilvie-17, Palsrok and Lynch-14, Hasse and Olk 10. Braxton Stroemel played a fine game and his 4 points proved to be just enough for the victory. The team received a well-earned welcome upon their return to Manistee.



ALPENA CATHOLIC

The Manistee Chippewas ended their season by losing to the Alpena Catholic Central Thunderbolts 49-38. In this first game of the regionals the Chips just couldn't find the basket. They made only 11 baskets in 70 shots for a miserable 15.7%. Manistee's top scorers were Ed Palsrok and Jim Ogilvie with 9 points apiece. This is the first time since Coach Rutherford has been in Manistee that his team has reached the regionals so we have nothing to be ashamed of.

Hi Janey,

Well, this pen doesn't work too well, but I'll try anyway. Best of luck to a real sweet & cute girl. I sure have had fun with you & the gang these past few weeks at all our little get-togethers. I will give you some very important advice now: 1. If someone tells you a joke, remember to look up every word that you don't know, and, 2: If, some late night, you see bugs (little brown ones) crawling all over your floor uttering some very cryptic sounds scream & run like mad!!!!! Well, I hope you & I & the rest of the guys can have a lot of fun together—

Luck,
Steve
